If your grant proposal is approved, you will be required to answer the following questions 30 days after your program's completion, and within one year of your grant award. Your compliance will enable RMHC NYTSA to ensure that grant monies are used to their fullest potential. Please use additional sheets, if needed.

Has the need been met, or the problem been solved? Please include updated information about your completed project (number of children served, new programs or opportunities, etc.)

Did your project follow the objectives originally stated in your grant application? If not, why?

Has your project been modified since the proposal was presented to RMHC NYTSA?

Have there been major changes in timetables for project development, implementation and completion? What were the reasons for such changes?

Have the personnel involved in the project proven to be adequate in numbers and qualifications? Has additional staff, or staff with different qualifications, been required?

Have any plans for cooperation with other institutions or groups been implemented successfully? If not, what have been the reasons?

What have been your methods of evaluating the success of this project?

What was the impact of the project on your organization and on those people it was designed to serve? Has the project led to the development of similar ones in other organizations?

Did this grant really make a difference?

How were you able to provide recognition to RMHC NYTSA? (e.g., plaque, press release, media spot, etc. Please provide samples and/or photos, if possible).

Please attach a complete financial reporting of the grant.

Please check here after attaching financial information.
